Dear Secretary Azar,

The National Black Church Initiative is seeking a \$100 million emergency authorization contract with the HHS to implement an initiative to get all Blacks and Latinos vaccinated for COVID-19 as quickly as possible.

Our initiative is called the *National Black Church Initiative Sustainable Action Plan to Eliminate COVID-19 and Maintain the Health of the African American Community by Eradicating Underlying Disparities in Healthcare, 2020-2025*.

The National Black Church Initiative (NBCI) is a coalition of 150,000 African American and Latino Churches working to eradicate racial disparities in healthcare, technology, education, housing, and the environment. It was founded in 1992, and since then has brought critical wellness information to all its members using a combination of faith and sound health science. The NBCI has offered faith-based, out-of-the box, cutting-edge solutions to solve stubborn economic and social issues for the last 25 years.

This plan, when it is fully funded and implemented, stands the best chance of stopping COVID-19 deaths in African American and Latino communities. It is culturally competent, but can integrate easily with any state-wide, CDC-approved COVID-19 plan. It also services every vulnerable group, including the homeless, low-income seniors, single mothers with dependent children, the handicapped, and those who have compromised immune systems.

The plan will be implemented with the help of three award-winning public relations firms that have a combination of 85 years of experience: *Kelly Wright's America's Hope News Inc.*, *Stephanie Frederic's FGW Productions*, and *Carlos Alcazar's Culture One World* to handle the Latino market. NBCI has assembled an impressive scientific team of 500-1,000 Black and Latino doctors and 150,000 black clergy through its National Clinical Strategy Task Force, which has authorized the creation of the NBCI COVID-19 Data and Information Committee that will meet on January 9, 2021.

The NBCI can quickly assemble help from 1,000 Black and Latino community groups and its 150,000 African American member churches and produce an army of over 2.5 million volunteers to help state and federal employees get Blacks and Latinos in every socioeconomically depressed and vaccine-resistant zip code to places where they can receive vaccines and protect themselves from COVID-19. And it will do so not once, but twice so people get their second dose as well: the one that seals in the protection.

Sincerely,

The Right Most Rev. Anthony Evans  
President
